Mike Wade Engineering Excellence Award (1) Team 2377 "C-Company"

This award is dedicated to the memory of Mike Wade, a champion for the growth and expansion of FIRST Robotics in Maryland. His enthusiasm and commitment set the stage for this competition and many other off-season events on the East coast. His considerable efforts resulted in the NASA field, the Alliance trailer and truck, and critical support and funding for local teams. The Judges are pleased to recognize a team with an excellent robot design achieving this year's game challenge. It is an engineering award rewarding the design and construction of an effective and efficient robot that outperforms the competition on the playing field.

We Really Like You Award (1) Team 888 "Robotiators"

The Judges are pleased to recognize a team who stood out for their gracious professionalism, effective teamwork, and/or a spirit that exemplifies the qualities of a great team. This award is judged based on team ballots, input from the event staff and interviews by the judges.

The TIME Center is a National Science Foundation funded Advanced Technological Education Center focused on improving the numbers of and skills of manufacturing and engineering technicians. The Center is pleased to be able to offer the following awards:

TIME Center Judges Award for Bytes and Volts (1) Team 1629 "GaCo"

The Judges are pleased to recognize innovation in the design and execution of an effective control system (including autonomous, wiring methods and/or human interfaces) to meet the game challenges.

TIME Center Judges Award—"WOW" for Technical Design (1) Team 449 "Blair Robot Project"

The Judges are pleased to recognize a team for having a creative "WOW" factor in the design and operation of a component of their robot

Special Recognition:

Livinda Dunham, Volunteer Coordinator, for her efforts supporting the BoB and the Chesapeake Regional.

Paul Harris, facilitator for the Baltimore Area Alliance, for his leadership. We will all miss him.

Rob Thate, NASA-GSFC, for his continuing support of the BoB.

Jenny Beatty, for her support of FIRST and VEX programs in Maryland.
